SHOOTING IN THE STREETS.—Among a people as excitable as those of Pioche, the practice, too often indulged in, of discharging firearms in the streets is highly reprehensible. In an old staid community such things would certainly result in the punishment of the offender, and we are glad to see that a remedy for the offense has been found. Early Monday morning a man fired his pistol on Lacour street, and turning into Main street blazed away again. Officer Boyd, hearing the shots, went in pursuit of the offender, overhauled him and took him to jail. He was rather unruly at first, but was brought to terms. After remaining in the lock-up long enough to comprehend the nature of his offense he was brought before Justice Stoutenburgh, pleaded guilty and awaited his sentence. The fine imposed with the costs added amounted to \$63, which he paid and took his leave. We hope this may have the effect of putting a stop to the unnecessary discharge of guns or pistols in the streets day or night.

BENEFIT OF THE HOSE COMPANY.—The first benefit of Pioche Hose Company will be given to-night at the Theatre. The benefit is really for the entire community, as the hose belong to the people generally, and it is to pay the amount still due on the hose, and to keep the same in such order as to render it efficient in case of fire, that the entertainment this evening is to be given. With a good bill and so worthy an object in view, a full house ought to greet the management when the curtain rises to-night. In contributing to the benefit this evening, every citizen is making his own property interests more secure from fire. Let each, therefore, contribute the price of at least one ticket; its price will never be felt by the individual, and it may be the means of saving the town from destruction by fire. It is a long time since the people have had an opportunity of contributing to a more worthy object, and we are sure they will not let it pass unimproved.

OUR DELEGATION.—Judge Clapp, Senator from Lincoln county, left here some weeks ago, intending to visit California before going to Carson. Mr. Wallace is now in California, but will be in Carson at the opening of the session. Mr. Shoff has been in Salt Lake several weeks, and we are not certain that he will be in Pioche again before he is required at the capital. Mr. Craigie started Sunday by the Hamilton stage for the Nevada "city of magnificent distances." Mr. Wilson, Senator for the short term, alone is left remaining, and how soon he may conclude to join the others of the delegation we are not now advised.

THE HOLIDAY SEASON.—As the holidays approach the display of holiday presents increases. In passing the Postoffice the other day, we observed a fine display of pictures, toys of all kinds, Yankee notions, etc. On inquiring the cause of this splendid exhibit, we ascertained that the articles were intended for the Christmas holidays, now so near at hand. Pictures and frames, separate or together, can be obtained; also, blank books, diaries, etc. Call and see Mr. Barnes' stock, and you will be sure to make a purchase and get the worth of your money.

LOOK OUT.—A day or two ago the soot in a chimney in the upper part of town took fire, and the blaze created a consternation in the immediate neighborhood. In this connection we would suggest that at the first wet spell people take occasion to burn out their chimneys. It may be the means of preventing a conflagration.

HOUSE AND LOT TO BE RAFFLED.—Tickets for the raffle of Jesse Boone's house, lot and furniture, on Cedar street, can be procured at all the saloons in town. George Davis will engineer the raffle. Buy a ticket, and get a house and lot, with household furniture.

FOR THE HOLIDAYS.—P. Heitzelman, City Jeweler, has just received a large stock of watches, jewelry, diamonds and silverware, which he offers to sell cheaper than any other house. Call and see for yourselves before purchasing elsewhere.

Boots, Boots.—Now that the winter season is about setting in, we desire to direct attention to the fact that Woodruff & Murphy, Meadow Valley street, make to order as good boots as can be made on the Pacific coast. See advertisement.

RAILROAD MATERIAL.—Yesterday two teams passed through town with material for the Pioche and Bullionville Railroad. There were three ore cars, 2,700 pounds of spikes and 2,740 pounds of railroad iron.

THE SWISS CONFECTIONERY is just opened, and the display of good things is tempting to one's palate. A chop house, with coffee, tea and chocolate, as well as steaks, chops, etc., is attached. See advertisement.

Mrs. WARD, residence Lacour street, between the Postoffice and the Court House, has on hand a nice assortment of Millinery Goods. Hats of the latest styles for ladies and children. Prices reasonable. d8-1f

SOMETHING NEW.—Goedicks & Schmidt, of the San Francisco Brewery, have just added to the attractions of their establishment a pigeon hole game with a turret attached. A view of the machine is necessary to comprehend its excellence.

TO ARRIVE TO-DAY.—The following passengers left Hamilton yesterday for Pioche, who will arrive on to-day's stage: Jim Dinwoody, W. S. Warren, 3 Chinamen, Louis Baeh and George Mutch.

BACK AGAIN.—After an absence of a fortnight or more, R. S. Wright got back to Pioche on Sunday evening. We are glad to see him in good health.

For jewelry presents for the Christmas Holidays, go to W. Manning's, opposite Wells, Fargo & Co. d10-1m

THE Highland Brewery Depot, on Lacour street, in addition to wines, liquors, etc., sets superior lunches for the gratification of their patrons. The saloon is a spacious one, so that one can enjoy a pleasant chat with a friend over a bottle of lager or any other beverage fancy may dictate.

COMING TO POCICHE.—The White Pine News mentions N. S. Warren and James Dinwoody as bound from Hamilton for Pioche. These gentlemen are highly recommended by the News, and we hope they may find Pioche all their fancy has painted it.
